

I care
I give
It matters

Government of Canada Workplace Charitable Campaign

Campagne de charité en milieu de travail du gouvernement du Canada

Thank you for your support of the GCWCC. Your gift has a direct impact on your community, improving the availability of services and the wellness of your neighbors. A significant benefit of the GCWCC is the ability to pledge your gift over 12 months through payroll deductions.

Did you know that a change in your employment situation, such as retiring, going on leave, or changing departments could affect your payroll pledge to the GCWCC? This helpful guide will help ensure your support for community continues if you anticipate a change in the coming year.

Planning to **change department/agency**?

You can make your gift via payroll pledge, provided your new and current departments are both paid through Phoenix and your PRI number will remain the same. If you're not sure, you can either make a **12-month pledge** by giving a set monthly amount by credit card; or make a **one-time gift** by credit card or PayPal.

Planning an **extended period of unpaid leave**?

You have two options to make a gift. You can either make a **12-month pledge** by giving a set monthly amount by credit card; or make a **one-time gift** by credit card or PayPal.

Planning to **retire**?

You will receive an enrolment letter from the GCWCC's retiree campaign in August inviting you to continue making a difference in your community by giving in retirement. Until then, support your community through the GCWCC as you prepare to retire by making a monthly gift by credit card or by giving a one-time gift.

Why use my credit card or Paypal if I anticipate a change to my employment?

Giving by credit card or with Paypal is the most flexible option

- Credit card gifts ensure there will be no disruption to your pledge during job transition
- For one-time gifts, your charitable tax receipt is emailed to you immediately. For monthly pledges, you will receive a charitable tax receipt for your total gift in January.
- Finally, you can also earn credit card rewards points on your gift!

I want to give a gift
to the GCWCC!
