8. Tickets can be acquired in person at designated locations, where players have the option to pay for their purchase in cash or by credit card. Information regarding in-person sales points is communicated exclusively through our official channels, including our dedicated 50/50 game Facebook page and our official publications. We recommend participants refer to these sources for details on where tickets are available in person. When purchasing in person, draw tickets are issued on official paper from an official terminal from our supplier Ascend.
